

Posting Title	<b>Quality Technician</b>
Location	<b>Milton Keynes, UK</b>
Reporting to	<b>QC Manager</b>
Salary	<b>£22,000</b>
Hours	<b>37.5/ week</b>

Beardow & Adams (Adhesives) Ltd. is a world leader in hot melt adhesives manufacturing in Milton Keynes. We export worldwide and provide technical expertise to our Global Partners across the globe.

Our products are used daily in tens of thousands of businesses and households globally- from box closing and carton sealing, the pages in a book, the mattress you sleep on, or the self-adhesive tape used on your next present will all be manufactured using an adhesive.

Our products are developed to meet the exacting needs of the markets they serve and designed to deliver unrivalled benefits to their end users. They help customers to maximise their products potential, whilst differentiating their brands, improving product performance and maximising manufacturing efficiencies.

**We are recruiting for a Quality Technician who can ensure that quality remains at the highest level.**

The role primarily involves the testing and inspection of adhesives manufactured on site; recording of batch production records; internal auditing and customer complaint resolution.

The ability to work both within a small team and on your own is a necessity, and the successful candidate will have a keen attention to detail and preferably some auditing experience although full training will be provided. Experience with Excel / Word is also desirable.

We need someone with good written and verbal communication skills at all levels and proficient computer and numerical skills. Knowledge or experience within this industry or quality control environment would be an advantage, although full training will be given.

## **Benefits**

- Free parking
- 28 days inclusive of bank holidays
- Cycle to Work Scheme
- Fully equipped canteen area
- Free hot drinks and water
- On-site vending machines
- Free private medical healthcare
- Bonus
- Death in Service Benefits
- Perkbox
- Pension
